

KNOX ELEVATOR BOX™

**WHEN EVERY SECOND MATTERS,
GIVE EMERGENCY RESPONDERS ACCESS TO THE RIGHT KEYS.**

Unlike other elevator key boxes, the Knox Elevator Box offers a safe and secure solution that provides emergency responders immediate access to the correct, calibrated elevator drop key to enter an inoperative elevator and keys to unlock critical areas within the building. Having rapid access to the right keys reduces delays, maximizes safety for emergency responders, and helps avoid unnecessary damage from forced entry.

Available colors:

Red Aluminum Dark Bronze

BENEFITS

- ✓ Allows rapid access to the correct, calibrated elevator door drop key
- ✓ Prevents forced entry into locked doors within the interior of the building
- ✓ Minimizes emergency responder injuries

ABOUT KNOX COMPANY

Over forty years ago, a unique concept in rapid access for emergency response was born. The KnoxBox®, a high-security key lock box, was designed to provide rapid access for emergency responders to reduce response times, minimize injuries, and protect property from forced entry.

Today, one revolutionary lock box has grown into a complete system providing rapid access for public safety agencies, industries, military, and property owners across the world. The Knox Company is trusted by over 14,000 fire departments, law enforcement agencies, and governmental entities.
